“ On October 12th will be the eighteenth anniversary of my father's passing, Kenneth McKeag. My mother, Carole McKeag, decided to be with him on September 16th of this year. I am sure God is watching over them as they dance the night away now. They will be loved and missed immensely. In 1982, my parents moved our family here to Sweetwater to pursue a different life. That had to be one of the hardest decisions for someone to make in the middle of their lives. Not only to start over, but to also leave family and friends behind. To those that they did leave, we know they both missed and loved you dearly. It also took a lot of courage and trust between them. Heather and I commend them for that and thank them for instilling these and all the traits they did in us. We want to thank this community and all the people who have come and gone for supporting our family in all their ventures. It means a lot to hear people tell fond memories of Pizza Plus Video or Curves, and even ones about the laundromat and pizza place on ten mile road at Watts Bar Lake. We want to thank all of the people who helped my father bring the sport of soccer to Monroe County and the surrounding counties. It was a great passion of his and mine both. The sport was a big part of our family's lives and gave us the opportunity to build strong friendships with some great people outside the community. We also want to say a special thank you to the girls who helped take care of our mother these past four years. You loved and cared for her as much as we did and we appreciate this. These two dates have been the hardest times of our lives, so we want to especially thank the people that have been the closest to my sister and I throughout our lives and these troubling times. It means a lot to have the support from such great people. Thank you so much!

“ So sorry for your loss. She was a spunky woman and I loved her laugh. We spent many days at the soccer field with her and family. She will be missed.
