“ Thank you so much nanny for all the love and support you have shown me over the short time that I got to know you. Thank you for guiding me and anessa on our path, and thank you for the laughs, or when I would start to act up, you knew how to get me back in line. Thank you for allowing me to be a part of your life, and thank you for the love and wisdom you shared in mine!

Carol Northern. Carolyn was always a sweet lady. She was the first on the street to visit us when we moved down the street and the first to come to visit after our house burned.
