“ Austin & Ann I've thought of you often. I'm so sorry to hear about your mom. She always treated me like one of the family and I was checking to see where you two were when I found this in google.

“ Ann, Gene and Family, We were sorry to hear about the loss of your Mother. The times I was around her she was a very find lady with lots of love for her children and God. She was always there to help her children when they were down from surgery or what ever their needs were. I know that she is resting in beautiful Heaven where the streets are gold and no more pain or suffering. You are in our thoughts and prayers and we love all of you. love Tricia and C.L.

“ My daughter and I are saddened by "Miss Carzell's" passing. She was my neighbor for the past 6 1/2 years. She would always wave when we got home and sometimes walk across and sit on my front steps and talk. I remember her also from when I was younger and would go into Kinser's with my mother. We will miss her on our street and will always remember her for being thoughtful and helpful to others.

Our deepest sympathies to your family.

“ I am so sorry to hear about Carzell's passing. She always had a smile on her face. As a matter of fact, when I think of her a grin comes across my face. I am so sorry for the family's loss. She was definitely a flower in this earth garden.

“ Carzell was not only my tax client but also a great friend. I saw her about a week ago and I knew she was not feeling too well. I was so sorry to hear of her death. She was a person who will be greatly missed. She was such a joy to be with. We know she is in no more pain and resides in the arms of JESUS now!!! God Bless all of the family. She was so proud of each of you.

“ Dear Carzell's Family,
As some of you likely remember I was Carzell's roommate at NHC Farragut for a number of weeks and enjoyed "living" with her so much! I could not have had a better roommate, for sure. I learned to love her! My husband, GC, and our four children, Tim (and his friend Theresa), Amy (husband Scott), Andy(wife Jenny and daughter Victoria) and Penny (and husband Philip) all learned to love her too and enjoyed her so much. She was one of a kind for sure, a very special kind that is! We'll always remember her!

“ What a lady!! Carzell brought so much pleasure to our lives and I will be forever grateful for her friendship to my mother and her fellow "goosechasers" as Preacher Maddox so endearing called the group of widow ladies from Cedar Grove. I so enjoyed meeting Martha, Austin, Keri and Tommy at NHC and getting to visit with Carzell and seeing her beam as she bragged about her family. I wish God's Blessings on you during this time of grief but celebration of a great life. We will miss her so much.
