“ *I was very sorry to hear of Charlie's passing. We were first cousins & while we had not kept in touch for more than thirty years, I have fond memories of him especially during our teenage years at Stuckey's. To each of you in the family, may the Lord comfort and give you strength during this very difficult time. He was a good guy, always helpful, and responsible for many smiles and laughs. Ken Mullis*

We got to know Charlie as a neighbor and at church together. Charlie was the life of the party but was very serious about his relationship with Christ. We are praying for you and love your family. God's strength will be with you and He will go before you and prepare the way. Lean on His love
