*Nancy,
Chuck was one the kindness men I know. You could feel the joy in his heart when you were around him. He cared deeply about his family and others. Richard I both feel privileged to have known him. We weep for your lost, but you were blessed to have had him as your husband and friend. I know he will greatly missed by you all and by those who knew him. Much love and prayers sent to you and the family.*

*I am saddened to hear of Chucks passing. He did both my horses Logan and Kai. He was wonderful with them both as well as my friends little Mustang. Blackberry. I am glad to have known such a wonderful person who did such excellent work with both my horses. He had a great sense of humor and a down to earth personality. I will miss his wit and how he would joke with me bout my horses and Blackberry. Rest easy dear friend. Please give my boys Logan and Kai a hug for me.

Chuck where do I start ..you were more than a farrier, but a dear friend and genuinely nice person. Always a smile always there to help no matter what; Whether it was replacing a shoe, finding an abscess or bringing me a horse trailer at midnight. Jim and I loved your jokes and your sense of humor. We are thankful for having a final visit with you and thankful to your family who gave us that opportunity. To say that you will be missed will be an understatement.

“ To Nancy:

Having just recently lost my mom, my heart aches for you and your family. Mario and I held Chuck in the highest esteem as he was one of the nicest people anyone could ever meet! Always upbeat and just a pleasure to be around! I have many memories of hanging out and listening to Mario and Chuck talk and laugh, and joke! Mario so enjoyed Chuck's company and friendship! Sometimes life is so hard to understand when such a wonderful person passes way too soon! I pray that God blesses you and your family with peace and comfort, as only He can do, until the day you are all together again!

“ Nancy, you and Chuck have been like family for so long, I think 18 years. I cannot imagine not hearing him tell a joke or me trying to get him back. He loved doing his job, he loved telling a good joke, but most of all he loved Jesus and his family, especially you, Nancy. While my heart is broken, I can't imagine how you, the kids and the rest of the family feel. Chuck was loved by everyone who knew him and this world is a little less without him in it. I love you my dear friend. Chuck, until we meet again, in Heaven, you will be missed.

“ My husband and I had the pleasure of meeting Chuck and Nancy in our small groups with our Church. Chuck had such a gentle kind spirit. His smile was so bright, though it was only a few times I saw it. I witnessed the great love he had for Nancy. He was a wonderful man. We will miss Chuck dearly.

“ Chuck was my farrier for many years off and on. I was the first to invite him to be the farrier at a Big South Fork ride that got him introduced to the NATRC family... He became a beloved friend to many of those wonderful riders and continued for many years... I loved him very much and loved Nancy too... Rest in Jesus my friend... You will be missed.

I am in shock. I can't believe this wonderful man is not with his beautiful family. Our farrier from the time he and his family moved home to Tennessee. And a cherished friend forever. I am sure he and Jim are up there swapping stories. He will really, truly be missed. My prayers are with you all. I know the heartbreak and truly wish I can help somehow. I haven't seen you all in years. I knew Bandit was cherished by your family. I will never forget your smile and laughter my old friend.
