“ I have been out of town until Sept. 3. As I was reading the Roane County News, I was saddened to read about the death of Charlie. Although I had not seen him in many years, he passed through my memory just last week! I had made a mental plan to send him a card and tell him how much I had appreciated him when I started my career as a teacher back in 1978. He was such a kind, gentle man at work. Everyone that I know just loved him! He did my first teacher evaluation, and I remember it just like it was yesterday. I did a math lesson on measurement. I had all the students (3rd grade) take off one shoe and trace the shoe onto a piece of paper. We then measured the footprint and did a comparison with fellow classmates. When Charlie and I were going over the evaluation papers, I asked him how I could have improved my lesson. His response was, "I can't think of a thing. I am still amazed at your energy level and the fact that you never sat down!" I remember laughing with him about that! He was a treasure and will be deeply missed by many. ”

“ *To the Entire Charles Richard Haile Family:
It was with great sadness that the Brandrup children just learned of the passing of our cousin Charles Richard. Our thoughts and prayers will be with his family as you grieve his loss. Charles Richard was our older cousin we followed through the years and we always looked forward to seeing him when visiting Uncle Paul and Aunt Virginia. He was always gracious and we were always interested in his stories and experiences. With love to the entire family. Len, Anne, and Ret; Aunt Eleanor's children.*

“ Dear Family, Peanut and I went to Wyoming together in 1953 and we were roommates. I have a picture that I took of him and Jerry Davis that I would like to send you. Please contact me at the above e-mail and I will get a copy to you. Charles' parents were patients of mine here in Knoxville for several years. Peanut was a superb athlete and a great young man. God Bless, Charles

“ Dear Aunt Becky,
I am so sorry for your and our families loss of Uncle Charles. I have so many fond memories of him, like riding a horse for the first time on the farm and seeing him at UT football games and going out on Tellico lake in the boat with both of you and Ganny and Rudy! Not to mention Holidays and Birthdays etc.! I am so glad I got to see him last month when I was home. He will be greatly missed and I am praying for you!
I love you,
Emily
