“ I am so sorry to hear of Mr. Littlefield's passing. He most certainly was a precious person. He always had a smile. To me he was so courageous. Because of his decision to have his valve surgery and how he progressed after helped me to not be fearful for my dad when he had the same decision to make. He always had a smile and I knew he was very intelligent. I am so glad that he and Mrs. Littlefield crossed my path. My life was better because they were in it.

“ I am so sorry for the passing of your sweet Dad. I was out of town when I learned about it or I would have been at the service. Some of my best memories are of the great times that our two families spent together while we were growing up. Your Dad's photography and the amazing train table in the basement among the memories. My love, thoughts and prayers are with you all.
