“ Some of my fondest childhood memories were of the Norman family, our next door neighbors. I had the good fortune to have had Charles and Jessie as an additional brother and sister whom I dearly loved; and they always took time to entertain and play with me.

We lived on farms and there were always lots of animals about but the funniest thing was the day Charles brought me a baby skunk which my Mother laughingly demanded he return to the wild. Now I understand her point but then I thought it was wonderful of him.

Charles was a sweet, kind big brother who loved to laugh and tease and my life was enriched to have had him in a portion of it. In later years although I didn't see him as often as I would have liked, I always knew he was close. I will miss him terribly.

My love, thoughts, and prayers go out to all of his family and friends. God Blessings and comfort to all of you.

“ I want to express my sympathy for your loss. I had the pleasure of working for the Roane County Accounting Dept. while Mr. Norman was Roane County Road Supervisor. He was a very good leader and worker for Roane County and always tried to do everything he could to make the county look better. I will keep your family in my prayers.

“ Phyllis,
we have been gone far away for a long time but if you see this by way of one of the kids or grandkids, please know that Julia and I send our deepest condolences to you and the family there in Kingston.....I have missed Norman's store for many years now and remember clearly the night someone drove into the store wall over night and you asked us the next morning if we had done it!!! You even said you'd go out and look at the dually to be sure!! Thank you and Mr Norman for the years of good memories that you both helped create for us. Not to mention, really, the best burgers we ever had. Peace and love to you...Tamara and Julia Gunter.
