“ Marie,  
*I loved growing up surrounded by such loving people as you and Charlie! It was a comfort to come home all these years and see you all in church. Mom and Dad especially loved you all, and we all appreciate so much your leadership on creating the wonderful Columbarium at Kingston UMC. May you find comfort in beautiful memories and be wrapped in Charlie's love as you move into this new part of your life. I know personally how God can guide a person's life into special joy, weaving the life you shared with loved ones into a new, rich life. You and Charlie helped form each other in beautiful ways no one can take away...not even your grief. Love you!*
