“ Charles always had a big smile and a kind word. He loved helping others that he knew and didn't know. He gave many many people in need of transportation a ride to their destinations near and far and was more than happy to do so. He will truly be missed by myself and many more.

If Charles was your friend he truly was one of the best friends You could ever have. If you were down he would pick you up in many ways. Charles was a great friend to me and I love and miss him very much. I know he got his set of wings, he's probably up there laughing and looking down. I'll miss him very much Lisa Hutch
