“ Sorry to hear about Charlie. Visted with him some this passed winter and took him to my new house. I worked for Charlie in the late 70's cleaning up the farm and raising bees. Charlie was a fine man along with Betty. I was planning on stopping by this next week. I remember Doug's convertible Mustang under the barn. We cut alot of wood off his place. First person I ever saw drink a coke for breakfast. 1978
