“ I'm so sorry for the loss of such a great man. Even though he is in such a better place, he will be missed so much. Pawpaw had a great big heart and loved being with his family. I'll keep all of you in my prayers for I know that this time in your lives is going to be very hard to get through. Be strong for each other and smile for him, he is watching you all and would want each of you to just love each other and keep close to one another. If anyone needs anything please let me know.
Love always,
