“ *One thing I can say about Charles and everyone else in his family -- I can't recall ever seeing them without a smile. That's a testament to Charles and the environment he created. Just a good man and a good family. We're all blessed for having Charles, Delphia, Eddie, and Mike in our lives.*

“ I was very fortunate to have worked at the Roane County Courthouse while Charlie was Circuit Court Clerk and Grand Jury Foreman. He was one of the smartest people I came in contact with while there. He knew a little bit about everything. I went to work when the new Courthouse opened in “1974” and continued 30 years while Charlie was there. He became a very good friend to me and he will be missed. My prayers go out to his entire family. I pray God gives his family strength to endure during this sad time.

“ I am so sorry for your loss. "Charlie" as Don and I knew him was a great help to us when Don went on the bench and I went to work at the courthouse in Kingston. There aren't enough adjectives to describe what a great human being Charlie was. My prayers are with you at this time.

“ I can still hear Charlie laughing when he would make that final putt on 18 to win the automatic press. He was always laughing and smiling. From the first day I started playing golf at Lakeside, Charlie and all the regulars made me feel like i was welcome.

“ Charlie shared his garden goodies with us. He gave my Dad rides home from Lakeside after we had curtailed Dad’s driving. He heard me say I wish I could make thin crispy corn bread like my Momma and he explained to me how. Kelly and I know the sadness of losing a Dad. Our thoughts and prayers are with you.
