“ *Mr. & Mrs. Stout & Family,
Our hearts go out to you and your family for the loss of your sweet son. Charlie & his buddy always changed our oil. Our son, Roger was friends with him too. He was always so friendly, such a nice young man. He always had a comment teasing me about my "Elvis mobile" as we called it. It always tickled me to be able to tip Charlie & his buddy he worked with. I'd say, "Take this and go get yourself some lunch or something." He'd smile & thank me. I'll never forget him. I pray that god give you the strength and comfort to get through your loss. To Pjoe, Roger sends his best. God Bless you all. Our hearts are so saddened with this loss.*

“ Our thoughts and prayers are with you all during this time. Charlie was a wonderful young man who always had a smile on his face and we are going to miss him dearly. Heather knew him cause they graduated from school together and I knew him from getting my oil changed all the time. He always made us laugh while getting the oil changed in our cars and loved to talk and play with our little girl. He enjoyed it when Heather would make him brownies and take down there for him and the guys for being so nice. He will never be forgotten and will remain in everyone's hearts from here on out. God bless you all!

There are no words that could ease the pain you are going through, but please know that you truly hold dear to our hearts. I've never seen a family with GENIUE love that your family shares. I know the pain to lose a son this verse was and still is comforting to me:
