“ I have known Mrs. Charlet since I was 10 years old in 1972. She lived next door to my Grandma and when I moved into the house after my Grandma passed away. She was a welcome friend. I only learned today that my neighbor and friend had passed away this week, so I unfortunately missed her service. She will be missed. I will always remember talking to Mrs. Charlet as a child when retrieving the mail, visiting the playground, or running out for the snow cone truck. I will always remember talking to Mrs. Charlet as an adult sitting on her porch, standing in the yard or visiting at her home. Such a wonderful kind person.
