“ Our thoughts and prayers are with all the family as they laid Charlotte to rest today in Harriman, TN. She was our neighbor in IL for several years and our kids grew up together. She, Mary Rhule and I took electronic classes together at Waubensee to become testers at Western Electric in Montgomery, IL. Charlotte was very smart and she was a help to Mary and myself. Even though she had to move on with AT&T to other states and we didn't see her much, she remained our friend. She will be greatly missed.

Love you all,
Bobbie and Detrick
