“ Cheryl and Dwight were always my friend. Cheryl always had a loving attitude. She was always so kind to me and my family. When I lost my wife on December 30, 2002, she was an encourager for me and my 13 year old son at that time. She, always had kind and loving things to say to me and my family. She was a loving and caring person. She will be sadly missed by the family and many more. I pray that God will show mercy, grace, kindness to the family during this time of bereavement and in the weeks, months, and years to come. God added another to his kingdom in Heaven where she will have a new body with no pain or suffering anymore. Amen
