“ So sorry to hear of her passing. I remember so many fun times. I remember having grits for the first time at her house and the many laughs that were had when the family was all together. My prayers are with all of the family. May she rest in peace.

“ Chris was one of a kind...such a sweet caring lady. I always enjoyed talking with her. So sorry for the family loss, but those critters in Heaven needed her too. May you all find peace and comfort in Chris' memories.
