“ I will miss knowing Christine is no longer in Harriman. She was such a shy, sweet and smart girl who always sat near me in school as we were "P's" . She was a blessing to many I am sure through her work in the medical field. I know she has great rewards waiting for her. It was a pleasure to have travelled part of lifes pathways with her. Rest in peace Christine.

“ I am honored to have known Chris as a friend. We worked together at St Mary's Lab for 26 years. We shared some good times taking Senior trips.

I will miss our friendship because Chris was special. Thomas Jefferson once wrote that "Friendship is precious, not only in the shade, but in the sunshine of life." With heartfelt sympathy to all the family in your loss

“ During the many years I have known Christine she has always been such a sweet person. As a grammer and high school classmate and neighbor she was shy but friendly and very mannerly. I am so happy that I got to spend some time with her during the planning of our "50th high school reunion" 3 yrs ago.It makes me sad that she has left us too soon and that she did not get to enjoy her beautiful new house that she had worked so hard for and was so proud of very long, But GOD knows best and needed another angel. RIP Christine and I love and will miss seeing you.your friend and classmate-Eva June Brock Bullens2

“ I was shocked to hear of Christine's death; I just saw her on Easter Sunday.
How quickly our lives change!! I have known Christine since our youth in the old church on Margrave St. Always, always she greeted us with a smile.
I am confident that she is in Heaven with the Palkos who went before her.

Fondly,
Louise

“ Christine was a sweet and dear friend in high school. We had renewed our friendship during the planning of our 50th reunion and talked of visiting more often since she moved back to Harriman. Wish we could have had more time. She will be missed by all, but know that she is in God's hands now. She is one of his angels now watching over her family and friends.

“ Christine was always a joy to be around. I loved it when she was able to come up to my parents home with her cousin Katie Malenovsky. We had a lot of fun then. I'm so sorry that she has left us for awhile but I know I will see her again in Heaven.

I Love You Christine!
