“ Dear Reed,

I wish you could be alive Reed but I am glad that you are no longer in pain. I mean I wish you could be alive and not be in pain. If I had one wish right now I would wish that you could be alive now. Our whole family loved you with all our heart and with all our soul. I know you did the same. We liked you as our neighbor and loved you being our neighbor. You had a great life. Your whole family is in our prayers. You will truly be missed by all of us.

LOVE, Jessie

“ *I'm so sorry that I couldn't attend the service, but please know that prayers are offered for the family. I will never forget how kind Reed was to Daddy (Uncle Carney), with his visits, lunches, and loving him as a son would. Reed had a big heart for every one that he came in contact with and he will be remembered by all who met him.*

Love and prayers to all. Cousin Bobbie
