“ Claude was my step dad for many years. How he put up with 2 teenage stepdaughters I'll never know. He treated us like his own from day one. We didn't always see eye to eye ,but we always managed to work thru it. One of my biggest memories of him was when I had my son Bj. He was the one there timing my contractions while mom was working. I was very young and thought I knew everything, I told him if he didn't take me to the hospital I was walking. He said fine get your clothes on. When we arrived they tried to send me back home, he said oh no you are keeping her, I'm not arguing with her any more. I never told him but he was right. I just had to share this because I still find my self laughing about it. ....But after a few years we had lost touch until the last year or so and we started talking on facebook then we exchanged numbers. We had gotten close again during this time . I loved our conversations and our visits. I just hope he always knew how special he was. He was a great man and appreciated and loved more than he knew. He will be missed terribly....

“ *Freida and family*  
God granted that I lived to fish for another shining day,  
But when my final cast was made, I then most Humbly pray,  
When nestled in your Landing net as I lay Peacefully asleep,  
You'll smiled at me and judge that I am Good enough to keep  
Our thoughts and prayers are with you now and in the days to  
come.

“ Claude's passing is a loss to his family, friends and all who knew him. He was always a dear cousin and friend. Claude was always a joker, of which I have been on the receiving end of many times. Now, he is with our Father, where we all hope to be someday. He will be greatly missed and our prayers are with hiswife, Freda and their family.
