“ To the Richesin family I am sad to hear the loss of your loved one. This will be a really hard thing to go through but with all the tears remember the good and fun times. We were neighbors for many years and Diane was like a little sister to me. She and Judy grew up together and were close friends. Just lean on God and take HIS hand and HE will lead you through this. I am sorry Cleason had to suffer for so long but he is healed and happy now. My prayers are with you.
