“ Joe and Anita, I got the privilege to know Mr. Moore for only a short period of time. He was a very sweet and friendly man. I will miss going to see him every morning. Please let me know if there is anything you all need.

“ Clifford was my former father in law. He was a sweet man with a wonderfully naughty sense of humor. He passed his sense of humor and love of God to his sons and I had the great opportunity to experience it during my marriage to his son, Phillip. I know he is having a ball in Heaven now. He is probably on Heaven's golf course playing his best game ever. And I know he was glad to see Ila, Jeff, and Jeremy. I was very blessed to have known Clifford! Love to all the family!

“ Clifford and Ila were our neighbors in Rockwood. They made us feel welcome from the first day we moved next door to them. They were just so friendly and outgoing. We have missed having them for neighbors ever since we moved to Kingston. We will always remember them.
