“ Sandra and I were blessed and fortunate to meet and know Clint along with his daughter Connie. We met in 2014 for the 70th anniversary of the D-Day campaign. Clint was always up early and dressed in his freshly ironed army uniform. Throughout the day, he entertained all of us on this tour. We met again this year in Holland to commemorate the 75th anniversary of the liberation of Holland. Clint served as an inspiration for all that knew him not only for his service during WW2 but for his continued service to his community and friends. He will be missed but he has surely moved to a better address. God bless you Clint and "Blue Skies To You".

“ Clinton was my pastor at Union McMinn Baptist Church and baptised both my children. I used to go on vision with him to different people's homes. He had a way of sharing with folks that taught me how to speak in a soothing and loving way sharing God's love. I will always remember the "Preacher".

“ *Clint Riddle was a true servant of Christ and a true patriot. This is bittersweet but the warrior has fought his final battle, death, and has defeated it in Christ. Thinking and praying for the family or our brother Clint Riddle.*

“ *Clint was my second cousin. His dad and my grandfather were brothers. I was raised in Washington, DC so I only got to know him in the last 12 years. My husband and I visited him 3 times at his home and enjoyed every minute!
Each time we took him to the Dinner Bell and everyone knew him and were so kind to all of us!
I am so grateful I was able meet and get to know him. We shared emails and letters. He even wrote a poem for my birthday which I cherish.
We were able to meet Connie and glad they made it overseas one last time.
He truly was an amazing human being.*

“ *Such a wonderful Christian servant and patriot. I met Rev. Riddle years ago when he needed some repairs done to his motor home. Through the years, as I learned more and more about him, I became even more proud to be able to say I had met him. Prayers for his family and friends.*

“ I am so sorry to hear of Clint's passing. My first memories of Clint was not as a WW 2 Soldier but as a Soldier of the Lord. And he fought that battle with just as much determination as he did on the Battlefields of Europe. He is the first Preacher I can remember hearing. Although he wasn't my pastor, I could feel his love for Jesus--and for me --as we spoke between the rows of the garden he and Neecey put out with my Aunt Marie and Uncle Cecil. I consider myself blessed to have known him. Such a Great Man and Patriot.

“ I was so hurt to hear of Clint passing and after praying about it I will tell you that it is foolish to mourn the death of such a Great Man and such a Brave Soldier who Sacrificed so much for the Freedom and Liberty of total strangers here and abroad. Instead we should fall down on our knees and thank God that he sent to us such a Great Man by the name of Clinton Elmer Riddle!!! We will meet again Clint. Your friend Jim “AIRBORNE”

“ I am so sorry to hear about Clint 's passing, I know that he's rejoicing in Heaven. Clint and Neicie were part of my life growing up, we were like family, he and Daddy were childhood friends and that carried on as I was growing up. Gail, Steve and Connie I feel your pain but you know that joy comes in the morning.

“ I am sorry for your loss. He was a special man and enjoyed listening to him talk the times we met. The last time was at my uncle's funeral and I appreciated his attendance and his comfort. May he rest in peace and may you find solace in your memories of a man who lived a life of service to his country and mankind.

“ Wanted you to know how sorry I was to hear of your loss. Your father has been a shining example of his generation. This generation was loyal, generous, incredible work ethic and deeply spiritual. They didn't go to war to be a hero, they went to war when our country needed them. We were blessed to have had fathers of this generation.

Dear Connie and Family, Clinton touched and inspired our community here in NC as well! Our WW2 reenactor unit based in Charlotte, NC honored Clinton by asking guests that attended the July 2019 Charlotte NC French Festival to send a message to a real “American Hero” and there was no room left on the greeting card at the end of the day! Our thoughts and prayers are with you and his family. The ALL AMERICANS/ Charlotte, NC

“ He was such a sweet, funny, amazing man that my family thought the world of. He was a warrior for our country but even more importantly he was a warrior for the Lord. I believe when heaven's gate swung wide to welcome him in, the song "Thank you for giving to the Lord" was playing loud and he got to see the thousands of people that he impacted for Jesus. Thank you, Clint Riddle, for the memories. Your light shined bright here, but it's shining even brighter now. You were a good and faithful servant and I was blessed to know you ❤️🙏

“ To the Clinton Riddle family:
I count it a real honor as another veteran and I took Mr. Riddle to dinner and listened as he shared his military experience with us. I appreciate his dedication and life not only as a Military soldier but as a soldier of Jesus Christ. He spent much time as a pastor and worked in hospice trying to win other veterans to Jesus. His humility and love for God and country is such a tribute to everyone who knew him. His poem “dusty jump boots” and “thank you mr. veteran” are special as well. I salute you mr. veteran.

“ Rev. Clinton Riddle allowed me and a team member to come to his home twice,. I wanted to hear his ear stories personally and he was eager to share. As he spoke I tried to take notes and a video, my video recorder was not the jewel that Clinton was. He be we left out a detail, just like it happened the day before. To me ,it was such an honor to be a quest in his home and hear what all of us should do, leave a Legacy! I held his small Bible he had carried with him his whole tour of duty, touch the paper the wings were made and hold and touch his journals he kept! He was a wonderful man who shared his love of God and his love of his country with anyone willing to listen. He, to me, was a true American Hero, I loved him and his legacy will live on thru his books and poems he wrote. If you never met Rev. Clinton Riddle, you missed part of our country's greatest of the great. Sue M Anderson
