It is with great sadness that the family of Clyde Ira Trammell Jr. (Mikey) announces his sudden passing on Wednesday, April, 21 2021 at the age of 38.

Leaving behind, Mother Leisa Price, Father Mike Trammell, Wife in his heart Yanire Horta, Sisters Christi and Hannah Trammell, Uncle and Aunt Tony and Nicole Berryhill, Cousins Chelsy, Sarah and Jacob Berryhill, Great Uncle and Aunt Raymond and Beverly Carmley.

He was a proud member of the class of 2003 from Pahokee High School. He was a huge fan of the Blue Devil football team. He attended both Gove Elementary and Kathrine Cunningham/ Canal Point Elementary. He participated in Special Olympics bowling and hand cycling. He was truly a light and joy for all his teachers. He possessed a wonderful sense of humor and eagerness to learn. His smile lit up the room, wherever he went.

He never let his disability interfere with his life. He fished, played video games, and enjoyed many community events. He was a huge supporter of the Palm Beach County Sheriff's Department. He knew every officer west of 20 mile bend. He spent summers working with his dad at Royals in Belle Glade. He was the best office assistant ever! His best friend and the woman he considered his wife Yani was the love of his life followed by his mom, he was a

mommas boy. He had so much love to give.

Although he was only 38 at the time of his death, he touched everyone he met in some way. He will be missed everyday by his family, wife in his heart and friends.

There will be a memorial service in Florida for him at a later date.

For those who wish, in lieu of flowers, please make a donation to the Ronald McDonald House (www.rmhc.org/donate) or the Florida Special Olympics (<https://support.specialolympics.org>)

“ I was so saddened to hear about Mikey. He was in my Physical Education classes for a few years at Pahokee High School. He was always such a joy to be around. Always happy, funny and loveable. We had a great time. I would say, Mikey Clyde you gonna pump some iron today? He would say, Of course. He could make baskets with the basketball and was always busy. Always up for anything. He would brighten my day when he came to class or if I saw him in the hallways. We kept in touch after he graduated and I truly enjoyed his friendship. I will see him again in heaven and I know he is up there now having fun. Coach Doug Croll

“ Mikey was the sweetest kind-hearted individual that I truly believe came into this Earth. We were friends throughout High School and even into adulthood. If I needed any Pahokee news I could always count on Mikey to keep me informed. I am going to miss his fast replies and remarks on Facebook. Mikey will always be my personal superhero

“ Mikey! What am I gonna do without having you to debate the Muckbowl with!? I remember when you were born, you started defying the odds right away! You touched everyone you came in contact with. My heart hurts for those who knew and loved you my friend. Fly high with all of the angels who went to heaven before you and I'm sure were waiting to welcome you home with open arms...
