“ *Coty it's 2023 and someone added a class photo of all of us in second and third grade on fb today! It's made me think of you and so many others we lost along the way. Wish you were here and things were different for many of us in that photo. RIP Old Friend.*

“ *I cant believe its been 8 years since you passed. I remeber seeing all of your friends in the hallway at the hospital. Not knowing what to expect. Having your mom call me in to see you lying there. Your memory lives on with me forever. Where ever you are I hope you know that we all love you and miss you.*
