“ I am praying for your entire family, may God bless you all through this time of loss. I have known Curtis & James for so many years. In knowing Curtis through the years, he has always had a kind word, smile & wave and was always so sweet and kind. He is a very loving, kind soul! He will truly be missed by my family and our community. I will miss you buddy, but I will never forget you or your kindness to me.

“ I have known my friend, Curtis for many years. Even in some of my darkest times he would come by the courthouse with a wave and a smile and cheer me up. I'm sure that most people in this area didn't know of his service in the military. I quote everyone when talking negative about someone especially when you don't have a clue who your are talking about, a verse from, Luke 6:37 - Judge not, and ye shall not be judged: condemn not, and ye shall not be condemned: forgive, and ye shall be forgiven: I can truly say I never judged or spoke negative about Curtis

I am so glad that I saw and spoke with him the day of his accident. I would have never of dreamed that would be the last time I saw him. I could not believe when I received the call that my friend was gone .Curtis I will miss making your doctors appointments and helping you with your paperwork but most of all I will miss you. May you rest in peace .

We were new to the town a few years ago and he made us feel very welcomed. People like Curtis are a true blessing to communities and he will be missed by many. Godspeed Curtis.

“ I have known Curtis for about 14 yrs, I was a young 22 yr old girl that had just started working at the courthouse. He probably was one of my 1st friends there. A mutual friend Freda Ramey had introduced us and I loved him from day 1. He always wanted to know how my kids were and was always so sweet. I will miss him along with everyone who knew him. RIP CURTIS.
