“ *Vickie, Marcia, Drema, and Tina:
We are very saddened to learn of your father's passing. We recall so many happy times sharing, fellowshiping, and serving together at Grace Gospel when you lived in Huntington. You will certainly be in our thoughts and prayers in the days to come and know that you rest in knowing that Curtis has reached his reward after so many years of faithful work for our Lord. God bless each of you and your families.

“ *When we think of Curt it is always with good memories. He was a master auto body repairman, did front-end alignments and was always there if we needed assistance on a car repair. He was a very good friend. But even more, when you think of his relationship with our Lord you have to think "faithful". He was always great at encouraging you to dig deeper into the scriptures to be certain that what you had been taught is truth directly from the Bible. He had a real desire to see men come to Christ and gave a lot of his retirement years to winning souls and making disciples of his many friends. Thank you Lord for Curtis Rowsey and his influence in our lives.*
