“ Worked with Cynthia at the base. Strong leader. We just called her Montooth. I was rather taken aback to realize this was the same person I knew whose name was mentioned in the news. Seeing the pic of her SUV, that was surreal. She was a good friend to me and instrumental to where I am today. I still have her voice mail and text where she wished me well and good luck. My deepest sympathies and condolences to the family. You will be missed Montooth. HOORAH!
