“ My heartfelt condolences to the family. Unfortunately for me, I had only known Cynthia for a little over a year, but I considered her a caring friend. May she know peace and a par game. I know you will miss her, Bob, but you have the knowledge of your years of love with her and all the happy memories. God bless.

“ *Bob, Mary, Bill, and Randy,  
I am so sorry that you have lost Cynthia so soon. I am sure that she is already looking after and caring for the whole family from heaven as she always did in life. I will always remember her love of life, love that she showed for you, and a life lived well and to the fullest.*

*There are people you meet in your life that you will always remember. Cynthia will always be remembered and missed by her family and friends for her love of life and her love for her family.*

*Cynthia left the world a better place by her being in it.*
