“ I met Cindy through a friend in Ohio (Sue Kinton). I lived in Tennessee (Lenoir City) when Cindy moved to Sweetwater so Sue put me in touch with her. She has been a special friend ever since. We have visited each other even when I moved on the other side of Knoxville she came to see me. She was so excited when I moved back to Lenoir City a few months ago. We had a lot of things we were planning to do. I will miss her so much. I don't know her family but my thoughts and prayers are with you. I am so sorry I didn't know about the service until later this afternoon. I would have loved to been there.

*My prayers are with you,
Ruth Ann Blazer*

“ It is hard to share just one memory of Cynthia (Cindy to me) as I (Sue) knew Cindy since high school. Cindy graduated a year ahead of me, but we were in gym class together. When my daughter, Kristi, was born on October 4th, 1968 and her son, Matt, was born two days later and we shared a hospital room. From then on our friendship grew. Later she had Michelle and I had Shane.

When we moved to Fredericktown our families spent a lot of time together. Some of the memories we cherish are our trips to Cedar Point for Tom's work picnics, the experiences we had while all being on the Fredericktown Emergency Squad together, garage sales that we had together and just getting together to enjoy our special friendship. Those were some of the best years of our lives.

When Cindy moved to Arizona – Tom, Sue .Shane visited Cindy, Dan and Aaron in 1990. We all went to Superstition Mountain and Apache Trail, Old Tuscon and drove to Nogales, Donora, Mexico. What a wonderful time we had catching up!!

When Cindy decided to move to Tennessee she had wanted me to fly to Arizona and drive to Tennessee with her, but that was at the same time my second grandchild was due so I told her I would come to Tennessee as soon as my granddaughter was born. Right after Cindy moved to Sweetwater in 2007 I drove down and we spent a few days together and had some crazy adventures. The next year Tom and I drove down right after Christmas to visit her.

Cindy has been such a dear friend for over 55 years. We will all miss her, but she will live on forever in our hearts and in our memories. Cherish those in our lives while we have them! To her family – know that you are all in our thoughts and prayers. Cindy, we will all miss you so much and love you forever.

Love – Tom and Sue Kinton

“ One fond memory I have of my dear friend Cynthia is helping her make a memory quilt for her daughter with special fabric pieces representing many of their mother/daughter adventures and special times they shared together. We laughed together at all the challenges she was having with the sewing machine but she battled on to a finish! She was determined to make her daughter this special gift sewn with love.
