“ Dana Mason was a wonderful friend. She never met a stranger. When I met her about 30 years ago, it was like we had known each other all our lives, instant friendship. She saw the good in people and touched so many lives through her work as the GED Chief Examiner and Adult Ed Asst. Principal for Brevard Public Schools. She was an amazing person! She made me a better person as one of my mentors. I will never forget her.

“ Dana taught Physical Education and I taught Social Studies at Cocoa High beginning in 1970. She became Dean of Girls the same year I became Dean of Boys. She was well liked by students and faculty. A really good friend and devout Christian. She is in a much better place now. RIP my dear friend.
