“ *As her cousin, we grew up together and were as close as two sisters could ever be. She was one of my dearest friends, and I miss her terribly. She was such an inspiration to me, lifting me up when I was down, laughing with me, crying with me, always being there for me. She will always be one of my greatest blessings of my life. I love you Darla and will see you again in Heaven. May God bless your loved ones left behind. I hope to continue always being a part of their lives as I know you would for mine.*
