She now has her wings and is watchinig down on you each and every day. To know that she is no longer in pain, what an awesome God we serve. Love you.*

“ *My Sweet Darlene. Where do I begin? Darlene was the most amazing person I have ever met. I was truly blessed by God when he gave me Darlene. We laughed together, we cried together. I miss her beautiful smile, the giggles, the girl talk, the hugs, the fun we had learning to Zumba together and the sparkle that was always in her eyes. She is the sister of my heart. I love you Darlene and miss you more than words can express.*

Wishing you sunshine to fill your days and butterfly kisses.

“ I remember the night like it was yesterday when I was told, "you are getting another patient." They went on to tell it was my bosses (and friend) Mother. I was just a little nervous but then I met the precious lady Miss Darlene and I was touched by her spirit, kindness and love. It was an honor to care for her and she made me realize why I do what I do. God Bless each of the family and their pain at this time and wrap them in your loving arms.
