“Darrell was my cousin and we grew up together. We were close in age, me being a little older. When we were growing up, we would go to Granny and Paw’s every Sunday after Sunday school for a family meal and get together. He will be missed by everyone in our family, his great smiles, even though I know at times he didn’t feel like it. Jennifer, you were an angel taking care of your dad like you did. You took him to doctors appointments and for treatments. I know he appreciated everything all of you did, Jennifer, Jason, the girls, Kathy, Desmond and Desirae. Love all of you!

I have basically known the Voiles' all my life. Darrell was my in-laws (Arthur and Mary McClure's) neighbor for years. He has been mine and Lonnie's neighbor for a couple of years now. Every time I saw Darrell out in the yard or walking up the street, I would run out and talk to him. He smiled all the time. I will miss seeing him in the neighborhood and it will be sad to know that he is not 2 doors down the street. Prays for your family.
