“ *RIP Jeff,
Sorry to hear about his passing, I was wondering why I had not heard from him for a while.
Condolences to his family, I got to know Jeff when he was involved with the flying bike that was getting built for the Ulster Transport Museum in Northern Ireland.*

“ Jeff was one of My "older" cousins so we were not as close..but I do remember his nickname for me "Jennybug" infact when he came up to see my dad a few months back that is the name he referred to me as ..We managed to have a laugh when he was here....Each one of us will always have those Special memories to keep close in Heart.
Jeff will be missed immensely by his family in the North Country..and will keep Patty and his children in Our Prayers and Thoughts
and trust that God will give them the strength to get through these Very difficult days ahead...I feel blessed to know that we have so many
Special Angels watching over Us.

Love, Jenny"bug" and Dave..Rebecca & Aaron

“ My thoughts and prayers are with the Baildon Family at this time. The last time Jeff and I visited was at Camp Larnet a couple of summers ago. We all spent alot of time at the Jemison home on the River Road in our high school years! Lots of good times.

“ I came over from England in 1952 to Marry his Uncle Bud, at that time Jeff was probably about 1 year old, I remember the first time I saw him he was sitting looking at a Golden Book.... Chris was a baby at that time, both Jeff & Chris grew up around me, so I have been very close to both of them for a long time... I am so sorry about his passing, but I know that Chris and his Uncle Bud will be very happy to see him. I pray for Patty and their newly adopted family, also for Jan, Carol, Jerry & his family, Matt & his family and Holly and her family. You now have a Guardian Angel to watch over all of you. God Bless you all. I will miss him and his phone calls, he will be forever in my heart.

“ I am so sorry to hear about my good friend Jeff. I never knew until today his first name was David. I have so many good memories of Jeff and the family years ago when we were young. Jeff was like a big brother to me and always treated me as such. Some of my best memories of life and especially that era were with Jeff and Chris as well as his family Carol, Jan, Uncle Bud, and his grandfather and grand mother back on the little farm on the Heuvelton Flackville road. I remember so many great times. It sticks out in my mind when Jeff was trying to lose weight to go in the Marines. He ate just steak for I don't know how long. Chris and I were almost always there for the steak. He always gave me one, but held out on brother Chris for a while and then gave in. That diet must have cost him a fortune with Chris and I eating with him most of the time. He always had a smile on his face and treated me like one of the family. I am sure a better man today for having him in my life and as my friend. Although we have not kept in contact very well I will miss him very much and think of him often.

“ We are so very saddened by the sudden passing of Jeff. Even though our visits were not as often as our childhood days. Jeff and his family were always close in thought and we always looked forward to his visits when he came north. He will remain in our hearts forever. We are praying for strength and comfort in the many days ahead for Patty and children, Jeremy and family, Matt and family, Holly and family, Jeff's mom, Carol and his sister, Jan .
Much love, Kate & Jim xx

“ *May you be comforted in all the events of the recent days. There have been the highests of highs and the lowest of lows. May the salty tears of sadness be overcome by cleansing tears of joy. Be comforted in God's infinite love. He is there with you, always. Be at Peace.*
