“*Laura & JD we were so sad to learn of Dave's passing. Be strong for each other and the girls because so many people care about you. We had a lot of good times together when you lived in Kentucky. Dave introduced us to karaoke and we lots of fun times hanging out. Dave & JD have such wonderful voices and brought a lot of joy to others. Our prayers for comfort and peace go out to you and Dave's brothers & sisters because I know they loved him so much. It has been a pleasure and blessing to know him.*

“ I have a lot of memories of Dave. We had the privilege of living next door to Dave, Laura and JD growing up. JD was my best friend from grade school into high school. Dave was always helping my parents out. My dad is no handy man and Dave always was there helping my dad fix or build something. I have some great memories of school snow days when Dave would take JD and I out in the snow in his Blazer and help out stranded people. He would take the cash he collected and let JD and I buy new sled's and then take us to Devou Park. We had a great time. Dave gave me my first real job at a very young age helping him and JD install chain-link fences. Dave would also take JD and I on short tri-state hauls when he was driving the semi. Dave was a great man and I know he will be sorely missed. Prayers go out to Laura and JD, and your immediate family.

“ I was so happy to have met David & his brothers & sisters at family reunions. My Dad, Johney Baughman, told me about this side of his family often, so it was such a pleasure knowing many of you. That first reunion when I brought Mom & Dad there, I was so thrilled to hear David's beautiful voice.

I am saddened by his loss and I pray for all of you that are left without him, but there is hope in knowing we will see him once again. God is good!

I am sorry I cannot be there among you to share in the memory of his life.

*God Bless You,
Johnetta*

“ I was 13 years old when a little baby brother (David) was born at my parents home. I will never forget the excitement and love that was shown to him as he was welcomed with open arms into our family. He was special!

Now 62 years later the family has to say good bye to someone we have loved all his life and it hurts each and every one of us and especially Laura, his wife and John David, his son and his beautiful granddaughters. But there will be a day of reconciliation very soon and we will once again be reunited with our baby brother and all of the other family members we have lost. Praise and Honor and Glory be to our loving God who holds each and everyone of us in his arms and will renite us as a family once again in his kingdom.

We love you David! See you very soon
