“ My family used to live near David and thought the world of him. We just returned this past weekend from a visit to Sweetwater...we left there in 1959. Our names were Jenny, Jerry, Patty, Donna, Marsha and Susan Raines . We were hoping to find David and some of the other students we went to school with but had no success. We lived in a house just below the school house and David would visit often. He was so very sweet and had such a loving personality. Our hearts go out to the family. We'll keep you in our prayers, And will always remember David.
