“ David was ALWAYS a terrific Dad of his two sons, Paul David and Daniel, which this video made clear. It tells so much about his joy of hunting and fishing with them. I have always every day prayed for him and his family, and this video should bring some solace to the pain suffered by PD and Daniel.

“ My words can't tell you how sorry I am to hear of David's passing, all the time we worked together he was very discipline on the job he did and very respected. For the family I hope you know he is no longer in a suffering body but a new body in Jesus name I pray for comfort and peace. RIP 🙏

“ Daniel and family, I am so sorry for your loss. David was the best supervisor of my entire life. He was knowledgeable, friendly, funny and helpful. When you went to work on overtime and learned Hud was the SOS, that was always a good thing. Now he is with his Lord and I hope this gives the whole family comfort.

David was a great friend. He treated everyone like they were special. I also worked with David and he undoubtedly was the sharpest Shift Manager I ever worked for. I haven't seen David in a while but I know we'll see each other again. My deepest sympathies to the family.
