“ Dear Lois and Family,
We are so sorry to hear the news of the passing of your dear David. All of the members of the American Legion, from across Tennessee,, join me in honoring David for his faithful service to this great country while serving in the U. S. Navy. Now that your labor of love is complete, may God now go to work to heal your hearts as you all travel on a grief journey for a while. Some good news: God is the God of ALL COMFORTS. It seems that everything a person needs on a grief journey He is willing to provide. Please continue to share the stories of life, love and family and David. Someone wrote, "Healing comes through story." So LET THERE BE MEMORIES. May the Lord bless you and keep you and walk with you each step of the way until your hearts are full of joy and peace.
