“ *I'm sorry for your loss and keeping your family in our thoughts and prayers at this time.*

David was my first sales manager. In 1990 he came up to work with us for the first time to establish a better Vestal manufacturing customer base. David, with his laid back southern charm was able to create a rapport with even the grumpiest customers. His faith, family and love of the outdoors left every customer giving us more opportunities. Whenever David would come up to Michigan to work with us, the difficulty was not finding enough customers to see, but having enough time for everyone who wanted us to bring him by. We spent a lot of time together on those trips and established a friendship that became lifelong. I will always remember his laugh and he will always have a special place in my heart.
