“ Dear Family: My heart hurts for your loss and ours. David Wiggs was a 40 year friend and colleague. He was always very supportive to me as a medical provider. His depth of knowlege and expertise was much appreciated by me. Any time I had an issue or question I could ask him without hesitation. He has been much missed since retirement. We have been praying for you and we prayed for him. May God give you comfort and grace in these days.
