“ *Miss Deb was the first person I seen when I went in to the office always with a smile on her face and kind words. She was so very sweet and I was so glad I had a chance to know her for over a year and call her a friend. She made a difference in my life. You will be missed miss Deb. It will never be the same walking in that office and you not there. Until we meet again.*

“ Tilley as I called her was a dear friend of mine. We have laughed together and cried so many nights on the phone and in her home. I will cherish our friendship until we meet again. I know you and Andy are back together again and it gives me comfort in knowing you loved Jesus and made Heaven your new home. I love you Tilley!

“ Deb was a very dear friend of mine!! We belonged to an association and attended many conferences together!! She was so much fun and sweet as she could be!! She served on the Board of Directors for this association and was also very active at her state level! What a wonderful friend she was!! We shared so many laughs and good times together that I can't began to tell them!! I've even visited with her and stayed in her beautiful log cabin!! While I was there she gave me one of her paintings which I will cherish!! My love to all her friends and family!! I will be praying for comfort and strength for all of you! My condolences to all!
