“ I am so sorry to hear of Debbie's passing. We were friends in high school. Although I hadn't seen her in a long time, we kept in touch through Christmas cards. She had a heart of gold. My thoughts and prayers are with you during this difficult time.

“ I am so sorry to hear the news of Debbie's passing. I used to work with Debbie at Food City in Harriman. She was a great person. I haven't seen her in a long time but never forgot her. She was the kind of person who just made a lasting impression! Praying for family and friends in this time of need.

“ My sweetest friend in high school. She and Darren were at my wedding 24 years ago and the last time I saw her was about a year later, I was back in town and we had a "girl's night out" together. She was always so funny and sweet! I loved being around her. Married to the military and moving around for the last 24 years, we lost touch and I often searched for her on "people search", emails for our class reunions, and facebook and asked others how and where she was and what she was up to. I am so sad that I never made contact with her, but I pray that her daughters know what I knew way back when...that Debbie had the soul of an angel!

“ We will always remember Debbie for that contagious smile, her positive and encouraging attitude, and those lovely daughters. She always demonstrated such love and compassion for others, and was willing to take the extra step when required. We're never prepared to have a loved one depart from our lives, but it is especially difficult to lose such a special lady at such a young age. Our thoughts and prayers are with the entire family . . . especially Betty, Kristin & Kellie. We too will miss her dearly.

“ I am so very sorry to hear about the loss of Debbie. I went to high school with her and she was always a very sweet girl to everyone. She always had a smile on her face. My thoughts and prayers are with you during this difficult time. God Bless each of her family members. I know heaven has definitely received another angel as she was here on earth.
