“ *Debbie B, Debbie Fletcher & I were best friends in high school. We were always going somewhere....having a blast! Needless to say, there was always a smile on Debbie's face and she was such a friendly person. Any time the 3 of us were together we were always laughing and having a great time! Debbie B & I shared our first apartment together after high school....what a fun time in our lives! I loved Debbie. We lost touch after that because I moved away. My deepest sympathy goes out to Debbie's sister & family & friends. May good memories of Debbie stay with you during your time of loss.*
