“ I had the pleasure of knowing Debbie for about 2 years. She was the sweetest lady that I've ever known. Her and David were always good to me and I can't thank them enough for that! It breaks my heart to no end that Debbie's life had to end so tragically and so sudden. I can't imagine what pain that the whole family is enduring right now. I love you all and you have my deepest condolences. To shine a light on such a deeply sad situation, we all know that Debbie is up in Heaven singing her heart out and enjoying every single bit of her eternal gift that God has given her!

“ My Dear Sweet Cousin Debbie,..Oh how you will me missed! The Love that you projected here on this earth was without doubt straight from Heavens Throne. This world was a better place because you were here. Your angelic voice is still ringing in my ears as the memories of our childhood comes rushing in. you have a beautiful legacy left behind and you will never be forgotten by anyone who had the privileged to know you on this earth. Go rest High now that your work on earth is done. I rejoice with all of heaven as I know you have finally made it HOME.

David,..I know your pain. When my precious Steve went to be with the Lord It was almost unbearable and even with the assurance of heaven it is a terrible hurt to say goodbye. I pray that you will find the peace and comfort from the Holy Spirit as He is the Friend that Jesus said he would send to us. You and the all the Children are in my prayers. The absence of their momma will be tough but they have a wonderful family that Loves them and will be there for them.May God do what only he can do,..and that is guide you in His peace Love you with His assurance and Hold you in His ever lasting Arms.

My Dear Aunt Mary,..I love you and cant even imagine the pain of saying goodbye to your child but you raised a beautiful daughter and all of heaven gets to glory in that now! Soon and very soon you will see her again. The joy that she and her daddy are having right now brings a a huge smile to my face.

Kay, Donnie, Rhonda & Susan there's no sweeter Love than that of your sibling. The one that you grew up with and learned and lean on through the years. My heart goes out to you as I know the void that you will have in your life with her gone. I love each of you very much and my hearts cry is that you all find in this Valley. Our memories do carry us through.
