“ denny was a great friend of mine for a lot of years here in marion. one of the things i remember is when he came home from the navy he had to show off his rum and coke tattoos that he was so proud of. we had a lot of fun at the party store and pizza shop .spent a lot of time shooting the loop in our cars in the good ole days. i could spend the rest of the night telling the ornery things that we got in to , but if you have to know ask jerry his brother and he could tell you about all of them. it is very hard for me to say good by to ole buddies like this and i will miss him a lot and at popcorn time when he came home and always spent half a day with me at the body shop. well my friend until we see each other again i will miss you every day and always think of you when i pass your old house on fairwood. love ys my friend john wollett
