“ What moves thru us is silence, a quite sadness, a longing for 1 more day, one more word, one more laugh. We may not understand why you left this earth so soon, or why you left before we were ready to say Good- Bye, But little by little we will remember not that your gone , But that you lived, And that you life gave us memories to beautiful to forget. A golden heart may have stopped beating, But you will always be in our hearts. God broke our hearts to prove he really does take the best. Leah & Haven Brayden Donna and Randy , you are in my prayers May God be with you all in this time of sorrow
