“ My grandmother Diane was an awesome woman. She welcomed everyone into her home and made them feel special. On the flip side, she'd destroy you at Kismet or Skipbo with zero mercy. We shared a love of our Kindles, Taco Bell, and cookies. She was not a fan of roller coasters, but my favorite memory was her taking me to Dollywood. When you'd visit her, it could be for 3 days or 3 months - she'd still guilt you every day that she wished you were staying longer. Not because she wanted to make you feel bad, but because her favorite thing in the world was spending time with her family. She wasn't wrong in her priorities. Spend more time with family. Get the good cookies with frosting. Eat ALL the tacos. ❤️
