“ *I was a young boy when I met him. I had just started living with my father Jerry L Hicks and my Grandmother Margaret. I remember playing a video game machine in his store/bar with my cousins. I had a short stay in Sweetwater but I am proud I got to meet my fathers side of the family.* ”

If anyone reads this from our family please feel free to contact me. I sure would like to be reconnected with my fathers family. I know it has been many years since I laid my father to rest their but I have often wondered through the years how all of my family in Tenn. was doing. I remember my Uncle Dan Dixon My cousins Ronnie, Teddy and Aunt Brenda and her daughter some others as well.
